 **Buxmont Academy**

 **Campus Solution**

  
**Location**  
Illinois, USA

  
**Device Quantity**  
40+

  
**Device Type**  
Chromebooks

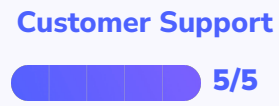

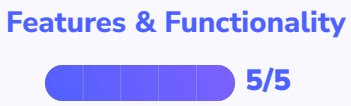

**Buxmont Academy Challenge:**

With multiple schools under our management we required a centralized location to maintain all our Chromebooks at each school.

**The Solution:**

While we were searching for a fitting solution for a 1:1 device strategy as school was having to go virtual, we discovered Mobile Guardian’s Campus solution. Mobile Guardian was able to help us continue our virtual classrooms without much pause to the students and teachers.

**Our Report Card**

## Managing devices has never been simpler!

Our students needed a 1-to-1 device strategy. Where each student will have a device for school. Especially with school having to go virtual due to problems outside of our control. Overall, our school has especially enjoyed the simplicity of using Mobile Guardian.

## Excellent Solution!

Overall, Mobile Guardian is an excellent solution. The simplicity of using Mobile Guardian to do all that we needed and more.
