Migrating from our old solution to Mobile Guardian was very easy

The support we received during the migration was excellent. We have solved our challenge of deploying apps

We're all impressed with Mobile Guardian's the ease of use and functionality

The staff are impressed with Mobile Guardian. I'm able to install applications quickly and easily to the required devices without having to interrupt staff.

Tagging is my favourite feature for managing devices

Tagging allows me to do so much. I'm able to tag devices and then easily deploying apps and manage profiles according to those tags.

Overall, Mobile Guardian, is easy to use, saves us time, provides us with great customer support, and offers great pricing.
